Accepted March 17, 1926

Resurvey Township No 27 North, Range No 114 West of the Sixth Principal Meridian, Wyoming

This plat of the resurvey of Township No 27 North, Range No 114 West of the Sixth Principal Meridian, Wyoming, delineates a retracement and re-establishment of the lines of the original survey of the east four ranges of sections as shown upon the plat approved December 29, 1883, in their true original position according to the best available evidence of the position of the original corners; all differences between the measurements shown on the original plat and those derived in the retracement have been distributed proportionally between accepted corners in accordance with surveying rules; reference will be made to the original plat for the showing of areas and more detailed descriptions of the various smaller subdivisions.

The fifth range of sections in this township is surveyed without reference to the original survey of said sections and the public lands in this range of sections are subject to disposal on the basis of this plat.
