This plat of the resurvey of Township No. 12 North, Range No. 94 West, delineates a retracement and reestablishment of the lines of the original survey as shown upon the plat approved March 3, 1883, in their true original position according to the best available evidence of the position of the original corners; all differences between the measurements shown on the original plat and those derived in the retracement have been distributed proportionally between accepted corners in accordance with surveying rules; reference will be made to the original plat for the showing of the areas and more detailed descriptions of the various smaller subdivisions.

Resurvey authorized by Commissioner's letter "E" dated January 13, 1934.

Office of Supervisor of Surveys

Denver, Colorado, August 8, 1940.

The above plat of Township No. 12 North, Range No. 94 West of the Sixth Principal Meridian, Wyoming, is strictly conformable to the field notes of the resurvey thereof which have been examined and approved.

Supervisor of Surveys.

UNITED STATES
DEPARTMENT OF THE INTERIOR
GENERAL LAND OFFICE

Washington, D.C., May 16, 1941.

The resurvey represented by this plat having been correctly executed in accordance with the requirements of law and the regulations of this office, is hereby accepted.

Assistant Commissioner.
