This plat of the resurvey of Township No. 15 North, Range No. 96 West, delineates a retracement and reestablishment of the lines of the original survey as shown upon the plat approved March 17, 1883, in their true original position according to the best available evidence of the position of the original corners; all differences between the measurements shown on the original plat and those derived in the retracement have been distributed proportionally between accepted corners in accordance with surveying rules; reference will be made to the original plat for the showing of areas.

Resurvey authorized by Commissioner's Letter "E" WHR, dated January 13, 1934.

Latitude 41°13'N.
Longitude 108°08'W.

Office of Supervisor of Surveys
Denver, Colorado June 25, 1941
The above plat of Township No. 15 North, Range No. 96 West of the Sixth Principal Meridian, Wyoming is strictly conformable to the field notes of the resurvey thereof which have been examined and approved.

Supervisor of Surveys

UNITED STATES
