The original Field Notes of the survey of the Rawlings Lode in Carbon County, Wyoming, upon the Rawlings Lode from which this Plat has been made, have been examined and approved, and are on file in this office. And I hereby certify that they furnish such an accurate description of said Rawlings Lode Mining Claim, as will, if incorporated into a patent, serve fully to identify the premises, and that such reference is made therein to natural objects and permanent monuments, as will perpetuate and fix the locus thereof. I further certify that the value of the labor and improvements upon the said Mining Claim, placed thereon by the applicant and his grantors, is not less than Five Hundred Dollars, and that said improvements consist of ~~the cost of exploring the lode, erecting a shaft, and mining, such expenditures amounting to \$12,000.00, and the mill site of a building house, and a battery, and a blacksmith shop, and a water tank, and quarters of a total of \$4,700.00.~~

And I further certify that this is a correct Plat of said Rawlings Lode Mining Claim or premises, made in conformity with said original Field Notes of survey thereof.

Surveyor General's Office,
Cheyenne, Wyoming,
December 17th 1873.

Silas Reed
U. S. Surveyor General of Wyoming.
