The original Field Notes of the Survey of the "Seminoe Oil Springs" Oil Claim in the Natrona Mining District, from which this Plat has been made, have been examined and approved, and are on file in this office. And I hereby certify that they furnish such an accurate description of said Mining Claim, as will if incorporated into a patent, serve fully to identify the premises, and that such reference is made therein to natural objects and permanent monuments, as will perpetuate and fix the locus thereof. I further certify that the value of the labor and improvements upon the said Mining Claim, is not less than One Hundred Dollars, consisting of a shaft 6 x 5 feet & 10 feet depth & no tunnel, and that this is a correct Plat of said Mining Claim or premises, made in in conformity with said original field notes of survey thereof, but said Deputy Surveyor does not know whether said above improvements were placed thereon by Stephen W. Downey, or some other claimant.
