L.o.t. No

Crook Land District.

PLAT

OF THE CLAIM OF

The Warren Peak Mines Company

KNOWN AS THE

SMUGLAR and Twenty Other Lodes

IN BEAR LODGE MINING DISTRICT,
CROOK COUNTY, WYOMING
Containing an Area of 428.411 Acres.
Scale of 500 Feet to the inch.
Variation 14°10'E.

SURVEYED June 1-12 1912 BY
T. Russell Countryman,
U.S. Deputy Mineral Surveyor,

The Original Field Notes of the Survey of the Mining Claim of
The Warren Peak Mines Company
known as the
SMUGLAR and Twenty Other Lodes

from which this plat has been made under my direction, have been examined and approved, and are on file in this Office; and I hereby certify that they furnish such an accurate description of said Mining Claim as will, if incorporated into a patent, serve fully to identify the premises, and that such reference is made therein to natural objects or permanent monuments as will perpetuate and fix the locus thereof.

I further certify that Five Hundred Dollars worth of labor has been expended or improvements made upon said Mining Claim by claimant or its grantors, and that said improvements consist of

17 discovery cuts, 1 discovery tunnel, 3 discovery shafts, 2 cuts, 7 tunnels, 5 shafts and 1 road

that the location of said improvements is correctly shown upon this plat, and that no portion of said labor or improvements has been included in the estimate of expenditures upon any other claim.

And I further certify that this is a correct plat of said Mining Claim made in conformity with said original field notes of the survey thereof, and the same is hereby approved.
