Subject

NPL EIS

To Whom it may concern,

I have been a resident of Sublette County now for 10 years, and like the majority of residents in this county, I work in the Oil and Gas Industry.

The same Industry that has given so much to us, and will give continue to give to our kids. I am writing this in strong favor of EnCana's NPL project! With the approval of the EIS, it will provide this county with many long term jobs, which in turn will provide economic growth for this county. And in my opinion a county without growth will be a dying county. Please strongly consider approving the NPL EIS.

Thank you,

Ben Jenkins
