NPL well's in Jonah

With out this Job at Encana I would not be able to live in such a beautiful place I fully support the NPL program, more well's means more work, more money for our communities and schools, BLM. My children have twice opportunity to get a better education than I ever did schools here a second to none. I also shop locally to support our community, this is a great opportunity for Sublette county and the surrounding communities.
