Encana EIS comment

To Whom,

I am a resident of Rock Springs, Wyo. my husband makes our living in the Jonah field . Encana is totally committed to the responsible extraction of natural gas from Wyoming and when the NPL EIS is approved they will continue to be the friend to the environment and good to the people directly related and help thru their many charitable donations.

They will provide many , many jobs to the residents of SW Wyoming and in the present US situation this is of great importance. I would like to be counted as a complete supporter of the Encana NPL project.

Thanks,
 Mary Peckler
 Rock Springs, Wyo.
